

SHAW 5-STAR WARRANTIES

SHAW R2X™ LIMITED TEN-YEAR STAIN AND SOIL WARRANTY

Who is covered

This warranty protects you, the original purchaser, if you have purchased a Shaw carpet treated with R2X™ for your own residential use in an owner-occupied residence. This ten-year warranty applies to Shaw carpets in its **5-Star** category.

What is covered

Shaw warrants that the surface pile of this Shaw carpet treated with R2X™ will remain stain resistant to most household food and beverage substances for ten (10) years in an owner-occupied residence in a proper indoor installation. This Limited Residential Warranty specifically excludes stains from substances such as hot beverages, bleaches (including acne medication), caustic chemicals, insecticides, paints, plant food, iodine, very strong dyes, acids, feces, urine, and vomit.

Shaw further warrants that the surface pile of any Shaw carpet treated with R2X™ will resist soiling by most common household soil better than comparable untreated nylon carpet for ten (10) years in an owner-occupied residence in a proper indoor installation. R2X™ minimizes the retention of common dirt normally associated with carpet soiling. Proper maintenance and regular vacuuming will reduce soiling and soil-attracting elements. Note that light-colored carpets will show soiling more readily than darker colors and require more frequent maintenance to keep them looking their best.

What Shaw will do if your carpet fails to perform

If your carpet shows signs of permanent staining from covered substances, or does not resist soiling more effectively than a comparable untreated carpet, within ten years of the date of original installation, Shaw will arrange a credit equal to the cost of the carpet material only. The credit will apply only to the affected area or room. The credit will be issued to your retailer as a percentage of the retailer's replacement cost of new carpet of the same or comparable quality. The credit will be good only toward the purchase of new Shaw carpet. There will be no cash payment.

PLEASE NOTE: NO CARPET IS ABSOLUTELY STAIN PROOF.

While carpet bearing the R2X™ designation is made with stain release agents, some staining may still occur, especially over time and in high-traffic areas. R2X™ is warranted to provide additional stain resistant properties to your carpet when compared to untreated nylon carpet. R2X™ will increase your ability to clean up stains, not prevent stains. Depending on the type of substance causing the stain, removal may require substantial repeated cleanings, and some stains may not be removable

Further exclusions

This Limited Residential Warranty also specifically excludes: any carpet which has been treated after installation with any protective material other than DuPont's Teflon® or 3M's Scotchgard™, especially those which may contain silicone; any carpet in any non-residential use; any carpet installed on stairs or in bathrooms; any carpet subjected to abnormal abuse; any carpet exposed to very hot substances or other abusive conditions; damage due to the application of improper cleaning agents; deterioration in appearance not related to staining of pile fibers; fading caused by sunlight, chemicals, or atmospheric contaminants. This warranty is voided if you fail to follow recommended carpet care and cleaning instructions described in the

Shaw booklet entitled "Carpet Care and Maintenance."

Treatment of the affected area should begin immediately upon discovery. The more time that elapses before treatment, the more difficult a stain will be to remove. Further assistance is available in the "Carpet Care and Maintenance" booklet or through the Shaw Information Center, 1-800-441-7429.

HOMEOWNER OBLIGATIONS UNDER THE SHAW WARRANTIES

What you must do

In order to maintain and protect your coverage under the terms of these warranties, you must do the following:

1. Keep proof of purchase in the form of a bill, invoice, statement, or this completed warranty brochure from your Shaw retailer, showing the price you paid for the carpet, excluding pad and labor.
2. Install your carpet according to the guidelines outlined in the Carpet and Rug Institute Residential Installation Standard CRI-105, and maintain your carpet according to the recommendations described in the Shaw "Carpet Care and Maintenance" booklet.
3. Be able to show proof of periodic steam cleaning by a professional cleaning service. A bill, invoice, or statement showing cleaning service with descriptions will serve as proof. A minimum of one cleaning every two years is required. Depending on the level of traffic, family size, soil conditions adjacent to the home, and other circumstances, more frequent cleaning may be advisable. Please refer to the cleaning recommendations contained in the Shaw "Carpet Care and Maintenance" booklet.

LIMITATIONS ON YOUR SHAW WARRANTIES

Non-transferability

These Shaw warranties are extended only to the original purchaser and are not transferable.

First quality products

Warranties are not applicable to carpet sold as second quality, irregulars, used, or as mill ends.

Improper installation

Improper installation can cause problems with your carpet. To ensure proper installation, your carpet should be installed in accordance with the Carpet and Rug Institute Residential Installation Standard CRI-105. Consult your floor covering retailer for details. We are not responsible for any defects caused by improper installation. Examples are wrinkling due to insufficient stretch, loss of tufts due to improper seaming, and/or damage to the backing system.

Improper maintenance or inadequate care

Your carpet requires routine maintenance. Please follow the recommendations described in the Shaw "Carpet Care and Maintenance" booklet. We are not responsible for damage to your carpet caused by improper maintenance or inadequate care, which could void all or part of your warranty coverage.

Accidents, abuse, or abnormal wear

Your Shaw warranties do not cover damage resulting from accidents or abuse such as staining, soiling, burning, flooding, cutting, and damage caused by pets. Staining from common household food and beverage substances is covered under the Shaw stain warranties or similar warranties from fiber or chemical manufacturers.

Pad failure

Deterioration of the padding can cause problems with your carpet. We are not responsible for any defects caused by failure of the carpet pad. Please see the pad manufacturer's warranty statement for more

information. NOTE: Shaw recommends a pad with a maximum thickness of 7/16" and minimum 6-lb. density for optimum performance. Firmer, thinner pads generally perform better.

Problems with moisture

Your Shaw warranties do not cover problems caused by wetting or the persistence of excessive moisture. For immediate assistance, contact a certified water damage restoration specialist. The Institute of Inspection, Cleaning and Restoration Certification (IICRC) maintains a registry of trained, certified specialists: call 1-800-835-4624.

Changes in carpet color

Your Shaw warranties do not cover changes in carpet color resulting from external causes, such as fading due to sunlight or spills of household chemicals and other non-food and non-beverage substances.

Differences from samples

Your Shaw warranties do not cover minor and normal differences between the color of the retail store sample and the color of the actual carpet.

Replacement of discontinued carpet

If your carpet has been discontinued and replacement is necessary under the terms of your Shaw warranty, Shaw will offer a substitute carpet of comparable quality.

Geographic locale

These warranties apply only in the United States and Canada.

Consequential or incidental damages

WE EXCLUDE AND WILL NOT PAY CONSEQUENTIAL OR INCIDENTAL DAMAGES UNDER THESE WARRANTIES. By this we mean any loss, expense, or damage other than to the carpet itself that may result from a defect in the carpet.

IMPLIED WARRANTIES

NO IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, EXTEND BEYOND THE FIVE-, SEVEN-, OR TEN-YEAR TERMS OF THE WRITTEN SHAW INDUSTRIES WARRANTIES. By implied warranties we mean ones that the law presumes to have been given by the seller even though they aren't set out in writing.

PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you.

YOU HAVE LEGAL RIGHTS UNDER THIS WARRANTY. These warranties give you specific legal rights, and you may also have other rights which vary from state to state. Except for these rights, the remedies provided under these warranties state the limit of Shaw Industries' responsibilities.

SHAW WARRANTY COVERAGE

You have chosen a product noted for quality and backed by the world's leading carpet manufacturer. Whether you selected a **3-**, **4-**, or **5-Star** product, your new carpet offers warranty coverage specific to its category.

Warranty Extensions

Many Shaw carpets feature branded fibers, such as those from DuPont (Stainmaster®), Solutia (Wear-Dated®), or Honeywell (Anso®). In most cases, these fiber companies offer their own warranties, although the coverage period may not be as long as the time specified in similar Shaw warranties. In these instances, Shaw has elected to extend the coverage and assume liability for the additional coverage after the primary fiber warranty coverage expires.
